EBA Opinion on the Commission's intention to amend the Final Draft ITS on benchmarking of internal approaches under Article 78(8) of Directive 2013/36/EU (EBA/Op/2016/09)

These ITS and RTS follow the significant work that the EBA conducted on the comparability of capital requirements for internal ratings-based approach (IRBA) for credit risk and market internal risk models, including a series of benchmarking exercises run in 2013.
