Peer Review Report of the Guidelines on the criteria to determine the conditions of application of Article 131(3) of CRD in relation to the assessment of other systemically important institutions (O-SIIs)

The European Banking Authority (EBA) published today a Report on the peer review carried out to evaluate the implementation of its Guidelines on the criteria for the assessment and identification of other systemically important institutions (O-SIIs) across the EU. Overall, the peer review concluded that the majority of the authorities are compliant with the EBA Guidelines, although some of its requirements have not been fully applied in all jurisdictions.
