EBA issues amended technical standards on supervisory reporting for EU institutions (EBA/ITS/2017/01)

These updated ITS include (i) new information on sovereign exposures; (ii) changes to operational risk; (iii) changes to additional monitoring metrics for liquidity and (iv) Q&A-based changes and other minor amendments. These changes form part of the EBA reporting framework version 2.7, which will be applicable for submissions of data as of March 2018.
