By EBA - European Banking Authority | 22. April 2020

EBA provides further guidance on the use of flexibility in relation to COVID-19 and calls for heightened attention to risks (EBA/RTS/2020/04)

Following up on its strategic communications of 12th, 25th, 31st March and 2nd April, the European Banking Authority (EBA) provides further clarity on how additional flexibility will guide supervisory approaches in relation to market risk, the Supervisory Review and Evaluation Process (SREP), recovery planning, digital operational resilience and ICT risk and securitisation.
