EBA publishes final draft technical standards on disclosure and reporting on MREL and TLAC (EBA/ITS/2020/06)

The European Banking Authority (EBA) published its final draft Implementing Technical Standards (ITS) on disclosure and reporting on the G-SII requirement for own funds and eligible liabilities (TLAC) and the minimum requirements for own funds and eligible liabilities (MREL). This is the first time that the EBA has developed disclosure and reporting requirements in this area, thus expanding the scope of the existing Pillar 3 and supervisory reporting frameworks in the EU.
