# EBA updates reporting framework 3.0 and technical standards on Pillar 3 disclosure

**The European Banking Authority (EBA) published an update to the reporting framework 3.0 and the Implementing Technical Standards (ITS) on institutions' Pillar 3 public disclosures. These updates are the result of the European Commission's adoption of the ITS on Supervisory Reporting (v3.0) on 17 December, the EBA publication of the revised version of the mapping between disclosures and reporting, and the EBA release of phase 1 of its technical package on the reporting framework v3.0.**
