

PwC Plus Article

By EBA - European Banking Authority | 12.10.2022

EBA clarifies the status of several disclosure guidelines, and ensures continuous transparency of credit quality of exposures by all types of credit institutions (EBA/GL/2022/13 and EBA/GL/2018/10 (Consolidated version))

The European Banking Authority (EBA) is providing today clarity on the applicability of several EBA disclosure guidelines which are replaced totally or partially by the Implementing Technical Standards (ITS) on Pillar 3 disclosure.
